EDUCATION

- **Saint-Petersburg, ITMO** (online), Saint-Petersburg, Moscow
Master's degree: Machine Learning Engineering August 2022 - August 2024
- **Moscow Institute of Physics and Technology** Russia, Moscow
Advanced training: Machine learning and project management in IT for teachers June 2020 - August 2020
- **Moscow State University of Civil Engineering** Russia, Moscow
Bachelor of Engineering: Construction engineer July 2012 - June 2016
Courses: Yandex-practicum: Data Analyst, Karpov.Courses: Data Engineer, Stepic-courses

SKILLS SUMMARY

- **Languages:** Python, SQL, C++ (school lvl)
- **Frameworks:** Scikit, Django, Alumentations, PyTorch, OpenCV(basic), Boosting-lib
- **Tools:** GIT, PostgreSQL, SQLite, Kubernetes (basic)
- **Languages:** English(Pre-Intermediate), Deutsch(Beginner-Elementary)

EXPERIENCE

- **UNINOVA CONSTRUCTION** Building site
Construction Engineer (Full-time) September 2014 - August 2019
- **Private teacher** Remote
Teaching programs in mathematics, physics and computer science. June 2019 - August 2021
- **DIGITAL FINANCE INTERNATIONAL** Remote
Data analyst (Anti-Fraud) August 2021 - November 2021
 - **Task:** Creating a user profile
 - **Task:** Searching for anomalies
- **Computer Vision engineer (Anti-Fraud)** November 2021 - March 2022
 - **Task:** Development of algorithms for image detection and classification
 - **Task:** Splitting data into clusters, searching for anomalies
 - **Task:** Identification of fraud clusters

HONORS AND AWARDS

- Prize of Junior ML Contest - June, 2022
- Codewars top 1000 - Jule, 2020
- Winner of Russian School Olympiads in Physic (2-3 place) 2010-2012
